

REPORT AND RESULTS: VYWRC 12 Dog Novice A/V Retriever Stake 1 held at Quarry Farm, Westerdale on Saturday, 26 November 2022

The Vale of York Working Retriever Club held its first Field Trial of the season at Quarry Farm, Westerdale, nr Whitby, by generous invitation of Mr and Mrs Richard Findlay, his family and the members of Westerdale Shooting Syndicate. Judging the 12 Dog Novice A/V Retriever Driven Stake for the day were Glyn Coupar, Paul Hasney, Brian Dodsworth and Any Curtis.

Thankfully the weather was kind this year and following a good show of birds throughout the day the Guns responded and put sufficient game down for all those running, resulting in some lovely retrieves by all competing.

The judges were able to make their decisions – which were as follows:

- 1st Labdom Quinn handled by Jason Barnes
 - 2nd Ingdalehowl Back in Time handled by Andy Brook
 - 3rd Claybrow Tranquil Lass handled by Arthur Telfair
 - 4th Questelet Persephone Dee handled by Godfrey Lowe
- Gun's Choice went to Billingscar Shot handled by Trevor Linfoot

CONGRATULATIONS GENTS!

The day ended with soup, sarnies and smiles all round.

Massive thanks go to our host Richard Findlay and the Members of Westerdale Shooting Syndicate for their continued support and who never fail to put on a great show. To the judges for giving up their time so generously. To the beaters, game
